Dear Ms. Fishbein:

I am pleased to extend this invitation for you to attend the **2019 Healthcare Information and Management Systems Society (HIMSS) Global Conference and Exhibition** in Orlando, Florida, taking place **February 11 – 15, 2019**. This unique opportunity will allow you to learn about the potential and the challenges of healthcare information and technology—including electronic health records, health information exchange, and connected health—to help transform healthcare in America. Consistent with Senate and House of Representatives Ethics Rules, **HIMSS is extending to you an invitation to attend HIMSS19 for up to three nights during the conference**, as your schedule and the Congressional schedule permits.

HIMSS, headquartered in Chicago, is a global advisor and thought leader supporting the transformation of health through the application of information and technology. As a mission driven non-profit, HIMSS provides thought leadership, community building, public policy, professional/workforce development and engaging events to bring forward the voice of our members. HIMSS encompasses more than 70,000 global individual members, 630 corporate members and over 450 non-profit partner organizations, that share this cause.

HIMSS North America, a business unit within HIMSS focused on thought leadership in the United States and Canada, serves as the host to U.S. congressional staff at HIMSS professional development conferences. To learn more about HIMSS, please visit our website at www.himss.org.

The HIMSS Global Conference and Exhibition is one of the healthcare sector's largest conferences. The 2019 HIMSS Global Conference is anticipated to include over 300 educational events, 1,300 leading health information and technology exhibitors, hundreds of special programs, and over 45,000 professionals from 90 countries around the world. Attendees include hospital executives, physicians, physician group practice managers, nurses and other healthcare providers, federal and state agency staff, public health agency personnel, state and local government representatives, as well as technology vendors and consultants. To learn more about HIMSS19 and view a detailed conference brochure please visit www.himssconference.org.

During the conference, you may be especially interested in participating in a range of health IT policy events and discussions, including the HIMSS Interoperability Showcase, Cybersecurity
